

For a prestigious hospital in the Berlin /Brandenburg area, we are searching in the context of personnel recruitment for:

A Nurse (m/f)

Your Duties:

- Carrying out nursing treatment according to doctors' instructions
- Documentation and evaluation of nursing procedures
- Assisting in diagnostic and therapeutic procedures
- Offering advice and support as a valued contact partner for patients and relatives
- Co-operation with all others involved in the nursing process
- Participating in the further development of nursing quality

Your Profile

- You have completed your nursing training
- You are motivated and enjoy working with patients requiring nursing care
- You can demonstrate distinct social and professional competencies
- Your working approach is characterized by being able to think for yourself and your conscientiousness
- Team skills, reliability and commitment round off your profile
- Knowledge of German language as minimum on level B1

Your advantages with us

- Free, transparent mediation with a notable clinic
- Intensive consultation and accompanying you to interviews
- Performance related, attractive salary

**Have we awoken your interest and are you looking for a new challenge?
If so we will be by your side to guide you along your way!**
